

Class 45/1 Preservation Society

The Society's aim is to preserve a class 45/1 diesel locomotive, many of which gave almost 30 years sterling service to British Rail on a wide variety of duties throughout most of the country. To this end 45133 was purchased by the Society and is normally based at the Midland Railway, Butterley. The loco has made appearances at a number of depot open days and at other preserved railways including the Nene Valley, Severn Valley, East Lancs, Mid-Norfolk, North Norfolk, Swanage and North Yorkshire Moors Railway.

Keeping a locomotive of this size and age in good order is an on-going complex and expensive undertaking. Continual work by volunteers in terms of maintenance, restoration and fund raising is needed to ensure that our loco continues in good working order for present and future generations to enjoy.

We invite you to help by joining the Society and doing your part to ensure that our loco has a long term future.

There are two types of membership available:

Annual membership: The cost is £12 annual subscription (or £15 if you choose to receive 'Peak Power' via postal copy).

Life membership: The cost is £400. This can be purchased outright or by a standing order of 40 payments of £10.

If you are a UK tax payer, then you can contribute more to the society through Gift Aid. Please mark the appropriate part of the application form if you wish to allow us to claim this.

The society also welcome donations from members, many of whom have set up direct debits in support of our locomotive. We provide donation certificates in recognition of donations from members. We are also able to claim gift aid from donations, making your generosity go even further.

What's in it for me then?

All members receive 'Peak Power'; the society's magazine which is produced four times per year. A membership card is also provided and you will receive a donation certificate in recognition of the generosity you have shown to the Society. Members have voting rights at meetings of the society. Members are also entitled to discounted travel at the Midland Railway, Butterley on production of a valid membership card at the booking office.

All members are welcome to assist in the maintenance and restoration of 45133. We actively encourage new volunteers and there is always plenty of work for both skilled and unskilled members alike.

You too can be part of keeping 45133 in operational service for future generations to see and hear, and to help keep the memories of the Peaks alive.

Sounds great, so how do I join?

Just complete the application form opposite and send to the address below.
